Abstract

Abstract: Lord prof PhD PhD Momtchil Dobrev-Halachev developed 2010 "Financially banking resource-based technological mafia-driven materialism" as a based principle materialismus since more than 17 century.08 "Theory of generating of crises", 2010 "Theory and praxice of the Mafiotismus "and 2001" Theory of the mafia ". Based on these three theories this paper draws conclusions based on an analysis of the occurrence, the causes of the coronavirus epidemic and analyzes the consequences, goals, results and consequences of the pandemic on and the plan with the ultimate goal to impose a NEW World ORDER, in the form of DIGITAL MAFIOTISM with elements of a new Holocaust, genocide, dictatorship.

Keywords: Mafiotismus, Crise, Mafia, Corruption, Theory, Finance.**INTRODUCTION**

In the year 2010 Lord Prof. Momtchil Dobrev developed the 'Theory of Mafiotismus' as a new state niveaou based on private and personal interests of the prime-minister, ministers, government .. Based on this "Theory of Mafiotismus" Lord Prof. Momtchil Dobrev developed 2010 the "Financially banking resource-based technological mafia-driven materialism" as a based principle materialismus since more than 17 century. In the year 2001 Lord Prof. Momtchil DObrev developed the Theory of the mafia and Theory of corruption. All the both theories has been developed by analyzing the mafia and the corruption all over the world. In the year 2008 Lord Prof. Momtchil Dobrev developed the "Theory of generating crises". The theory of generating crises has been developed by analyzing all the relationships between countries, and lysing the causes and consequences of crises. The theory examines all possible options for generating crises. In this paper a legal, economic, analysis of the crown virus pandemic and its impact on various countries, economies, societies, are described the activities of the representative "Financial Banking resource technological mafia-driven Materialism" in this pandemic, which aims to of the New World Order in the form of DIGITAL MAFIOTISMUS with nom elements of Holocaust, genocide and dictatorship.

Introduce the Problem

In reality, for a proper understanding of the Crown virus pandemic as a species and of a New Third World War for the imposition of a New World Order in the form of DIGITAL MAFIOTISM, a full and comprehensive study, analysis of the situation, economies and the impact of the pandemic on them, analysis of the different types of societies and the impact on them of the pandemic on societies, social systems, on health systems. An analysis of the pandemic, its occurrence, causes, preliminary actions and various programs must be made. An analysis of the goals of this pandemic must be made, considering all the complex facts for its development.

The disclosure of the real causes, goals for the occurrence of the coronavirus pandemic, the causes and consequences for the economies and societies of this pandemic.

The developed by Lord Prof. Dr. Momchil Dobrev Financially banking resource-based technological mafia-driven materialism covers the real process in all countries, in the nation, in states, all over the world and how the representatives of this materialism actually perform actions solely for the purpose of profit for them, and losses to third parties and companies, nations, peoples. Tthe Financially banking resource-based technological mafia-driven materialism developed by Lord Prof. Dr. Momchil Dobrev cover the real sources and power and people that are managing the politics, the nations, the states all over the world on the example of the trade war against China from USA ..

Generate a situation so that the respective governments adopt laws for full control of society, full control of the population through telephones, social networks, under the pretext of protecting the population, and control the adoption of unconstitutional laws that will ensure comprehensive full, comprehensive control of population, of means of payment, cash and others. Governments will pass laws that completely restrict the rights of citizens under the constitution, the population will be monitored without a court decision or a judge's act.
40. Creating perfect conditions for imposing dictatorships - the new world order. Adoption of laws that violate human rights, fundamental constitutional rights, civil rights

CHIPPING and nanoparticles

Each will be connected to the 5G network with supercomputers that will control and manage it. In this way there will be constant control over his personality and life. The

chip will transmit all personal data. Nanoparticles or nanopots will be able to control any part of the human body and change DNA through the 5G network. The chip will receive frequencies broadcast from the network 24 - 90 GHz. With the help of the chip and the network, cryptocurrency will be dug. In the case of disobedience to a person with a chip, nanoparticles can give commands to the heart or brain, to cause a heart attack or stroke. Each will be marked with the number of the Devil - 666, as written in Revelation chapter 13. Vaccines will be imposed by terror. Vaccines will contain nanoparticles. With settings the nanoparticles will be able to attach to molecules from other coronaviruses. The nanoparticles are 25 nanometers in size and are so small that once injected, they pass through the skin's intercellular lattice and repair their way to the lymph nodes. Within minutes, they reach a concentration thousands of times greater than those in the skin. The nanoparticles in these vaccines can be directed so that they move quickly in the desired direction and force the human biological cells to move and grow in certain directions. As early as 2009 Researchers at the University of London have developed "micro shuttles" that can be injected during vaccination and deliver drugs to living cells. A microscopic chip should be embedded in these nanoparticles to automatically control the dose of medication. The release of substances can also be separated by an external command - from a doctor or another, ie. individual micro-therapy is created. The biggest advantage of using such micro capsules is that they are designed to be very stable in the human body, which protects their contents. These capsules can be used as repositories of drugs in the body for later use. Whoever manages the technology will actually manage human health. Ie different drugs for specific cells can be released. Ie nanoparticles in vaccines can repeatedly increase their action, or improve or devastate human immunity. Chipping and vaccination are linked in one process. The justification was that chipping was necessary for vaccination. vaccination becomes a means of chipping.

The digital identification of the person has been considered since September 11, 2001. digital identification of the person by embedding an electronic microchip in the human body. In this way man can be governed. If signals are sent about the microchip, the chip can cause pain, blurring of the mind, blindness, deafness and others. Ie this can allow a human to become a bio-robot or a cyborg. Nanoparticles that are vaccinated into the human circulatory system will travel and move throughout the human body. Each vaccine for Covid 19 will be equipped with Pentagon nanotechnology. DNA nanotechnology developed by the US Department of Defense and the scientific institution DARPA. On March 12, 2020, INOVIO Pharmaceuticals announced that it had received a new \$ 5 million grant from the Bill & Melinda Gates Foundation to accelerate testing and manufacture its own CELLECTRA 3PSP smart device for intradermal / subcutaneous / delivery of the INO-4800 - DDDNNA vaccine for COVID -19. Ie this proves that the vaccine is ready before the pandemic. Ie Even before a "state of emergency" was declared in Western countries in connection with the pandemic, the co-financing of the special device needed to deliver this vaccine to the human body was announced. The question is why a special device is needed. As early as March 12, 2020, the working name of the vaccine, which has already been produced, is known - INO-4800, which vaccine is planned to move to phase 1 for a clinical trial in the United States in April 2020 with additional funding of \$ 9 million.

Bill Gates funded a device to inject the vaccine. He also pays for the vaccine itself. CEPI = - through another of his organizations - Separately, the European Commission has already contracted with Bill Gates and has raised € 8 billion. .e. Bill Gates and the Pentagon will make huge profits with funding. The initial development of CELLECTRA 3PSP began in 2019 with a grant of \$ 8.1 million from the medical branch of the Medical CBRN Defense Consortium U.S. Defense Threat Reduction Agency (DTRA). The coronavirus was created in 2015 in the US National Laboratory + Galveston at the University of Texas.

UN DOCUMENT ON A NEW WORLD ORDER

In fact, plans have been made many times to impose a New World Order. Here, however, we will not mention dates and persons involved in the imposition of a New World Order.

Here we quote the opinion of Henry Kissinger:

"Once the herd receives the mandatory vaccination, the game is over! They will accept everything! Control the thinking of the sheep and you will control the flock. Vaccine manufacturers make billions, and many of you in this room today are investors. This is a big profit! We dilute the herd and the herd pays for the services provided for their destruction. Now, what is there for lunch !! " They must all be vaccinated and chipped first! Then they can go outside! - Bill Gates

The beginning of the Cold War in 1947 - Alan Foster Dulles - the first head of the CIA - said:

"We will throw all the gold of the United States, all the power of the United States to deceive and fool the people of the socialist world. Unnoticed, we will replace human values with false ones. HOW? We will find like-minded people in these countries and Russia. We will carry out grandiose decomposition work, we will extract the social essence of literature, we will encourage authors who instill in man a cult of sex, violence, sadism, betrayal - that is, immorality. We need writings that ridicule naturalness and integrity, such as archaic obsolescence, simplicity, impudence, lies and deception, drunkenness and drug addiction, animal fear among people, shamelessness, slander, and many other vices in man. In this way we will shake generation after generation, we will cause erosion and corruption of the youth. We will create a person with a consumptive psyche of an elementary user. We will do all this under the motto PROTECTION OF HUMAN RIGHTS and CIVIL RIGHTS.

The new world system according to Rockefeller March 20, 1969. The realities are different - replacing the system of wars with the creation of terrorism, another kind of enemy - Islamism, - Planned Parenthood

"Population reduction, permission to have children, new guidelines for the meaning of sex, sex without reproduction, the possibility of universal protection, sexual education among young people as a tool for world government, support for abortions with state funds to reduce the population , support for homosexuality, sexless reproduction technologies, family breakdown, euthanasia and the "death pill", restriction of access to paid health care to get rid of the elderly, strict control of access to medical services, elimination of private doctors,

difficulties in diagnosis of new incurable diseases, difficulty of onco-treatment in order to reduce the population, causing a heart attack to eliminate people, early school education to accelerate puberty and evolution, merging of all religions, elimination of old religions, change of the bible, through revision keywords, school education as a tool for indoctrination, prolonging school time without children learning something, controlling access to information, schools as municipal centers, seizing certain books from libraries, legal changes that unleash social and moral chaos, supporting the consumption of drugs to create an atmosphere of "urban jungle", promoting alcohol consumption, restricting free travel, the need for more prisons, using hospitals as places of isolation, creating psycho-hospital and physical insecurity, using crime to manage society, limiting American industrial dominance, displacing peoples and economies, uprooting social roots, socializing sports, sex and entertainment violence, implanting ID cards / microchips / food control, weather control, exploring more people in order to suggest what is required, falsify scientific discoveries, use terrorism as a basis for control". Television, which watches the individual, property ownership goes into oblivion, the advent of a new notarial system.

Here we will quote a speech from the speech of Muammar Gaddafi, the head of the Libyan Jamahiriya at the 64th session of the UN in 2009. who said the following:

"They will create viruses themselves and sell you vaccines afterwards, pretending they need time to find a solution even though they already have it."

Rudolf Steiner - "In the past, the Spirit was removed by decree of the church council, and the soul will be removed with pharmacotherapy. It will be easy to get a vaccine that will treat the body from the earliest childhood, even from birth, so that it becomes completely impossible for the human body to ever come to the thought: "I know that the soul and the Spirit exist!" GA 177/5

Here we quote the plan which is located and prepared at the UN and for which the plan concerns the period from 2021 to 2030. and is from 21.09. 2001 This plan was quoted by Rabbi Amon Yitzhak.

The plan is from 2001-09-21.

COMPARISON OF COVID 19 as a type and substitute for "THIRD WORLD WAR", economic crises over the centuries and the related World Wars and results of COVID 19

The comparison of the pandemic with Covid 19 with the Third World War is not accidental, it is not a metaphor, but based on indisputable facts and evidence. When we talk about war, the size of a war, the scale of a war, it includes not participants, hostilities, countries, equipment, but also the amount of damage, losses, casualties, the amount of recovery of participants after the war, the amount of destruction, the amount of loss of human mass, the loss of markets, producers, destroyed production, destroyed supply channels of raw materials, and others. By the size of this pandemic data, the facts prove that in reality it is a war, by the losses suffered. This will be the biggest recession in 85 years. The number of the poor is growing exponentially every day. The number of companies forced to go bankrupt is huge and is increasing every day. This is a pandemic that, on the scale of the collapse of the world economy, of social systems, of social systems, of health systems, Along with all the above, there came a time of fear, ignorance, helplessness, hopelessness in social systems. Billions of people are frightened, led only by fear for their lives, deprived of a normal life, a life in which restrictions are constantly imposed, restrictions, with appropriate sanctions, people are deprived of their right to freedom, people are deprived of the opportunity to plan your life, real life is day to day, with no prospects, and clear guidelines for change in a positive direction in the future. Along with this, domestic crime, divorces, domestic violence are growing, social systems have been destroyed for hundreds or even thousands of years, moral and ethical norms are being destroyed, values built and created for hundreds of years are being destroyed, democratic foundations are being destroyed, principles on which they are built are being destroyed. whole countries, state principles of governance, value systems in countries, rights, freedoms, laws, constitutions are grossly violated. The number of suicides is growing. There is a collapse of people's trust in statesmen, managers, governors, government structures, state structures, state organizations and state bodies, entire health insurance systems. There is a collapse of trust in specialists, "experts", companies producing vaccines. There is a breakdown in trust in health services and other health insurance systems across countries. A breakdown of confidence in any decisions made by headquarters, management bodies, in the so-called "expert

forecasts" on how, when the pandemic will end, when there will be a second, third wave, The access of information to show truth is zero. In reality, there is a race of experts to make predictions and others. In reality, all kinds of experts are initiated, even those who do not have the appropriate qualification and education. And all this in favor of management headquarters, which make the appropriate decisions that affect the whole society \ The pandemic is used entirely for political purposes and political business. The pandemic is used to make certain companies producing protective clothing and protective and disinfectants do business. The pandemic is used by specific pharmaceutical companies to do business. Prices are constantly rising, medicines are missing from pharmacies, a black market is being created, a gray business. The result is isolation, division, separation, division of social groups, disintegration of the family, disintegration of normal human relationships, destruction of normal human relationships.

In addition, repression, physical and moral violence, police arbitrariness, criminal police actions, police arbitrary criminal actions and other services are on the rise. Thus the political class is released from responsibility for its failure. And this proves their intention to do just that. And this business is huge - billions in profits. There is no norm that obliges a specific price of PCP Tests, the price of which is sometimes 5-10 times higher than the real one. The market principles of everything at the prices of masks, disinfectants, tests, treatment have been violated. Huge profits are being pursued. In reality, there is propaganda that causes panic, fear, stress. There is absolute helplessness and hopelessness of the people. Moreover, more than a third of the world's population considers the pandemic as a conspiracy and a plan of the elites to deal with the population, with companies, with industries, with entire countries. Through the propaganda machine of the dependent media, people are constantly instilled with the idea that they are to blame for this, for getting sick, for dying, for infecting other people. And yet nothing is known exactly about the virus, how it works, no details, about the process of infection, the ways of infection, the ways of the disease, the timing of antibody formation, the period of reduction of the pandemic, the period of and life cycle of the virus. There is also an economic collapse, which is clearly and provenly planned. The collapse of the world economic system The economic crisis will be thousands of times greater than the crises of 2008, even that of 1929. This crisis has led to the emergence of radical global changes in geopolitics. In this pandemic, the world's factory, China, is also hit. At present, however, China has almost recovered from the pandemic. Restaurants are full, factories are working, universities, schools are full.

Comparison of the Economic Crises of 1929, 1933, 1 occasions, measures, results and consequences after the First and Second World Wars. If we compare such situations after the 17th century, we come to the following conclusions. In the 17th century, the Netherlands took a leading position after 30 years of religious war in Europe. After the second half of the 18th century, it was replaced by Great Britain, which had the most colonies, respectively resources, and where the first industrial revolution based on the colonies actually took place, and the availability of huge resources. In this way, Great Britain, together with its colonies and especially on the basis of its colonies, became a "factory of the world" and labor productivity jumped from 3 to 200 times, respectively, and profits. Then the UK is not only an exporter of goods, but also

of free funds, financial capital, By 1860, based on its protectionist policy, the United States was ahead of Britain in population, and by 1890, the United States was ahead of the world in terms of gross domestic product. The United States produces twice as much as Britain. Britain is losing its role and strength of power. Britain spends a lot of money on armaments to protect its achievements and gains, but loses colonies. Britain's resources are dwindling. Britain's decline grew during the First World War, when, based on high spending in 1919, Britain's debt became 135% of GDP. The United States is now a creditor of Great Britain. The final replacement of Britain by the United States took place after the collapse of the colonial system and the colonies belonging to Britain, especially India. In the last decade, however, another "factory of the world" has emerged in the face of China. The middle class in the United States is shrinking at the expense of the middle class in China, which reaches 400 million people. China is already the largest trading nation, the largest economy, the largest producer, the largest purchasing power, has the largest consumption. The trade balance between China and the United States is in China's favor. That's why Trump started trade wars with China. On the other hand, China's largest debtor is the United States. China is the largest creditor of the United States.

Moreover, no specialist has isolated COVID-19, nor the so-called "professionals" or "medical experts". Ie no quantitative viral isolates of 2019-nCoV are available.

Really what medical science says:

For more than 100 years, medical science has been telling how exactly to isolate a bacterium or virus to determine is actually the exact infectious pathogen. This is described precisely and clearly in the so-called Koch Postulates. In 1889, the German physician and bacteriologist Robert Koch set out his known criteria for assessing whether a pathogen (bacterium or virus) was the cause of a particular disease.

Koch's criteria are as follows:

1. The pathogen must be present at every stage of the disease
2. The pathogen must be isolated from the host with the disease and grown in pure culture or other appropriate suitable environment.
3. The specific disease should be addressed when a pure culture of the pathogen is inoculated into a healthy susceptible host.
4. The pathogen must be recovered from the experimentally infected host.

Koch's postulates are the basis for assessing whether there is a causal relationship between the pathogen and clinical diseases. So far, October 2020, no laboratory has successfully implemented the postulates of the Coronavirus. Genetically engineered biological weapon or natural evolution of the new virus. What is important here is when the virus occurs and the real causes. The Pentagon has been developing biological weapons since 1981. Such biological weapons are being developed including for aerosol attack. Currently from 2010 to the present 2020 continuously NATO and World Health Organization planes chemicals over countries across Europe. This is done with the consent of the governments of the respective countries. This is a strategy. Actually with the dispersion of chemicals leads to diseases Pneumonitis. PNEUMONITA actually accelerates in contact and contact

with COVID-19. Double bronchopneumonia is immediately caused. And blood tests prove that the person is actually poisoned with chemicals. In fact, as far back as 1981, the PENTAGON estimated that the deaths of 635,000 people by aerosol dispersal of biological weapons would cost them only 29 cents. Really COVID - 19 is a bio-weapon with which to REALLY cause the consequences of the "THIRD WORLD WAR" without the use of conventional or nuclear weapons, and the goal is to REALLY IMPOSE ON A NEW WORLD ORDER, on:

The aim is to create a collapse of the financial system in order to implement the NEW VETOV program. COVID - 19 is collected from some parts of other viruses that cause diseases. Attacks with biological weapons are stronger and more dangerous than attacks with chemical weapons or nuclear weapons. COVID-19 has actually been shown to be a bio-engineered product designed to mutate to avoid both proper diagnosis and treatment. Covid-19 triggers a disease process that is completely different in each different patient depending on his disease. COVID -19 causes mutations and so the goal is for it to be latent in the body long after the patient has healed. Covid - 19 is just a highly advanced biological weapon. Covid - 19 that is why he is really a substitute of the third world war. This is causing the collapse of the global financial system. Causing and increasing the debt crisis. Increasing the debt burden. Increasing the debts to countries ostensibly to take protection from the pandemic. It is no coincidence that the World Bank and the IRF have expressed their readiness to distribute TRILLION USD to governments and states to tackle the pandemic. The United States has dozens of laboratories for the development of biological weapons, most of which are around Russia. The Coronavirus is early the reason for the realization of the "third world war". In reality, the COVID 19 pandemic will cause an even greater financial crisis than 90 years ago - October 1929 - The Great Depression began with the panic of the New York Stock Exchange. The result: businesses stopped working, hundreds of thousands of workers became unemployed, hundreds of thousands of businesses went bankrupt - both small and medium and large. More than 140,000 commercial, industrial and financial companies went bankrupt.

The decline lasted until 1933. The national income of the United States from 87.8 billion dollars in 1929 fell to 40.2 billion - in 1933. In 1933, President Roosevelt spoke out and set a "New Deal" using public money to mitigate the socio-economic collapse. This state money finances the construction of roads, land reclamation, canals, afforestation, labor activities, construction of buildings and housing. This course provides employment, provides a minimum income for workers, although poverty is high. As a result, 5-6 million Americans died during the crisis and depression in the United States. For comparison, in Europe only Germany and the USSR are developing well. Elsewhere, power is poverty and recession. The Soviet Union in the 30s of the 20th century developed by leaps and bounds, in all branches - agriculture, industry, industry, production, advertising its successes to the whole world. These successes are a danger to capitalism. There are constant cries for the world victory of socialism. At the same time, Germany was in crisis until Hitler came, the currency was extremely devalued, unemployment was huge, industry was not working, and companies were constantly going bankrupt. After Hitler's arrival, the situation in 1933 changed in just a few months. Germany was then declared an

"economic miracle." However, this economic miracle is supported by finances from the United States and Great Britain. These finances are in fact the basis for the plans of the financiers and bankers to develop Germany's industry so that at some point Germany would go to war with the Soviet Union. In reality, the only solution is a war, and Germany's world war against the Soviet Union. In reality, a war can change economically, socially, financially, a society and a state, destroy it, bankrupt it. On the other hand, before the First World War the United States was one of the largest debtors, but after the end of the First World War it was one of the largest creditors and thus imposed the US dollar as the world currency. On the one hand, the goal was to write off countries' debts, imbalances in economies and consumption. Debtor states, on the other hand, aimed to destroy their debts to their creditors through war. And the creditor countries aimed to get the natural resources of the debtors, their markets, their consumption, and billions of reparations on a griddle.

Thus, World War II began on September 1, 1939. Here are the parallels with COVID 19. After the financial crisis of 2008 the recession has lasted for more than 12 years. On the other hand, for decades China has been on the rise, which is a factory in the world and on whose territory everything is produced, where the world's largest companies have their own factories and productions and constantly enters not only industries, industries, investments, but also exports large quantities of goods, services, production, equipment and begins to suffocate the United States, which suffers an imbalance in trade with China, especially since all US production is moving to China. China's development rate is huge compared to that of the United States and Europe - 21%, 17% but never below 10%. China is becoming the largest creditor of the United States. China is a problem for the United States. In reality, the representatives of the Financial Banking Resource Technological Mafia Materialism are concerned about China's economic boom and its investment programs around the world, so what needs to be done is to create a crisis. Initiating a new world war, a third war with the use of weapons, will lead to mass destruction, as it will lead to the use of weapons of mass destruction. That is why another option is being devised instead of a war with the use of weapons. Another tactic, strategy, plan, realization of such a war is needed. " On the other hand, one Cold War alternative will not lead to quick results. Therefore, only by imposing administrative-repressive methods can the balances be restored. Enforcing this can only happen with a pandemic all over the world. The pandemic will hit all countries financially, commercially, economically, psychologically, informationally, socially. Thus, the result that has been planned since 2000. along with the imposition of a new world order is the use of pandemia and bio-weapons to provoke it. Covid 19 caused such a pandemic. Every day, fear, threats, panic, anxiety are constantly thrown through the managed and controlled media, along with the bans that actually bankrupt enterprises, factories, productions, industries. The result has been achieved. According to experts, the emergency situation will last until 2020 and maybe until 2030. During this time, there will be bankruptcies, trillions of dollars of debt will be zeroed, stock market bubbles will inflate and explode, trillions of dollars of corporate and government debt will be erased, dollar owners will buy assets at no cost, the population of the paid will decrease. The ultimate goal, however, is the power and governance of the planet by one centered on the imposition of a New World Order through a world government, namely what the plan is:

RESULTS AND CONSEQUENCES OF THE COVID PANDEMIC 19

The first world biological war 2019 –

With the introduction of bio-, psycho-, socio-diversion, with the name COVID-19,

The scheme aims to:

- Consciously economic
- Psychological
- Military
- Scheme for reducing the world's population
- Business destruction scheme
- Business bankruptcy scheme
- Scheme for buying for nothing of certain businesses.
- Scheme for conquering businesses

193 UN member states have been ordered to close their states since January 2020. That order comes from the United States, the World Health Organization, and the World Economic Forum, the Bill Gates Foundation.

In fact, millions of people lost their jobs. Millions of people have lost their savings for life. Millions of people were left without the means to pay their monthly expenses. Millions of people were left without means of subsistence, to pay for themselves and their families. Millions of people have lost sight of the future. Millions of people have fallen into the ranking of the poor. Millions of people have already joined the unemployed, Millions of companies have gone bankrupt. Where there was a middle class, it actually moved to the group of the poor. Millions of people isolated themselves. Millions of people fell into fear, hysteria. Millions of people were deprived of their livelihood. Millions of people have been deprived of the security they have created. Millions of people were deprived of their liberties. Millions of people were deprived of their businesses. Millions of people distanced themselves socially. Millions of people distanced themselves as a family. Millions of people have fallen into the realm of family conflict. Millions of businesses have closed their doors. Millions of people have isolated themselves from their families, from their work, from society. George Orwell's Prophetic Manifesto in the 1984 Book. There are facts about a real world dictatorship of the global Oligarchy. There are social, moral, ethical, civil and legal repressions. Thoughts and statements about imposing concentration camps in case of refusal of vaccination actually appear. This situation is legitimized as a social system of the future. In reality, everything is built on the basis of exploitation and real fraud. There are real voices that Covid is a punishment for people's sins. As early as 2011, Pentagon scientists made successful attempts to combine viruses and create a superspecies that is fast, lightning-fast, aggressive, stubborn, elusive. This bio-engineering became available in 2014. . Because of these protests, Dr. Anthony Fauci relocated to the Chinese city of Wuhan. Of course, not for free, but by paying and transferring 3.7 million USD together with the full documentation. In 2011, then-President Barack Obama publicly announced his estimate of 60 million victims of a total and global pandemic that did not occur at the time. Apparently, however, this has been prepared for a long time. Millions of people are under stress. Millions of people are in fear. Millions of people are in a panic.

Millions of people are subject to obedience. There is actually a conspiracy against all of humanity. 2010 try the version with the chicken flu. In 2014 in Los Angeles, 64 patients die vaccinated against an obscure virus about which there is no information and everything is classified. Since 2010, Bill Gates' doctrine of global vaccination has been imposed and disseminated. There are elements of a biodictatorship. And with certain frequencies, control over human consciousness can be exercised, and man can be placed under constant constant remote control. The state imposes a paranormal subordination to the people. Social and moral deformations occur among people. There is a process of zombies by the media, which is close to the government. People swallow all possible and impossible totalitarian orders of the oligarchic dictatorship. At the same time, public finances are drained through and under the so-called "extraordinary. The state is realizing the liquidation of social programs for the people. The necessary and necessary for the treatment medicines disappear from the pharmacies. Ecosystem talk is present and recovering in countries. This hysteria, which aims again to distribute billions of euros and dollars between close companies, is constantly intensifying. In Europe, Erdogan's words about demographic Islamization are happening and are being realized. This also happens in countries such as France, Belgium, the Netherlands, England and other countries.

The erasure, replacement, replacement, erasure of history, which Fukuyama was talking about - the end of history - is actually being realized. Fear is becoming a fundamental method of managing people's behavior. People are deprived of normal communication and exchange of thoughts, ideas, feelings, relationships. People lose their moral and social senses to observe and understand the environment. Humans become controllable mice in the hands of the oligarchy. The oligarchy begins a satanic and sadistic trade with the most valuable thing in people's lives. This turns people into biomass without norms, ideals, goals, an objective view of life, without thinking, without moral and other values. People have really lost their personal identities. The opposition is deprived of the opportunity to react, to act, to be an active opponent. In reality, the opposition is depersonalized and destroyed and bloodless. Civil society is crowded. Civil society has been liquidated and does not exist. The printing of money is in progress and at high speed. "Robbery of budgets" through so-called "stabilization programs", programs to support business, workers. The hospitals are empty, the patients are treated according to incorrect diagnoses, and the deceased, based on various reasons, are entered in the statistics in the column "Kovid -19". Citizens are methodically taught that they must be vaccinated, otherwise they will not be able to travel, they will not be able to work, they will not be able to study. In reality, people are killed in hospitals who simply suffer from the flu. INFLUENZA disappears as a disease in the countries for the respective season - October - December. No one is talking about the flu and the flu epidemic anymore. In reality, there are circumstances for informational, social, medical neo-fascism. Many scientists, doctors, specialists, try to explain the real disease and spread their experience with the treatment of patients, but all this is not allowed either in the media or on social networks, it is silenced, removed, deleted. It is constantly proclaimed in the media that people will die like chickens. However, everything revolves around money and the profits of companies. Profits are estimated for pharmaceutical companies in the billions, prices are constantly rising, drugs are deliberately disappearing from pharmacies, and are

beginning to be offered on the black market. Even the oligarchy is obsessed with companies that produce either masks, or disinfectants, or other. Interest rates do not fall. The loans run without freezing the payments of interest, principal, loans, credits. At the expense of social benefits, if any, in the country concerned, the prices of all goods and services increase every day. Everyone has difficulty paying for basic family expenses. Everyone has difficulty paying the basic costs of electricity, water, gas, energy. The prices of the AKP tests are rising and reaching prices up to 10 times the price of delivery in the laboratories, reaching 190 euros. The oligarchy eastern public funds from the money of all citizens of the country. There is an escalation in the prices of basic necessities - food, medicine. Man is witnessing a psycho-bio-social-medical experiment of the oligarchy.

The oligarchy aims at subordination and control of all humanity, of companies, of nations, of states. The virus is presented as "God's punishment" for the sins of mortal citizens. And all this without war, without revolution, without planetary disaster, or even economic crisis. The theft of people, of companies, is legitimate and legal. People are separated from the real social environment. Death is imposed as something normal and institutionalized by the government and as a regulator of social relations. Preaching "suffering and death" is as normal as behavior and social and social environment. Stress and fear become a normal internal organic state of citizens. There is a world dictatorship of the global oligarchy. There is state and corporate fascism. The pandemic is seen as a key element of the "FINAL DECISION", the goals of oligarchy and plication to reduce the planet's population and digital slavery. In reality, the virus is a bio-psycho-social weapon of mass destruction. The oligarchy actually uses all kinds of propaganda tools to implement its plan - causing stress, instilling fear, falsification, manipulation, provocation, silencing the alternative and different opinion and decision, not giving air time to people and professionals with alternative and different opinions and opinions, not giving airtime to people who have succeeded in treating the virus to share the way and type of treatment, hiding information about which drugs are useful to fight the virus, deliberately denying alternative methods and treatments, not allowing airtime in the media of experienced professionals. Silencing, belittling, eliminating the alternative opinion and decision. Misinformation and spitting and denial of alternative medicines is an old method of kleptocracy and oligarchy

In reality, this is a crime against humanism, humanity, morality, democratic values, democracy, the rule of law. The goal is money. Profits are mostly for pharmaceutical companies, for social media companies, and companies, social networks, and online commerce mostly for food, drugs. There is the Holocaust and the Genocide, DICTATORSHIP, BIO-eco-psycho-social demographic cleansing and destruction of redundant people. The goal is to clear the planet of unnecessary 4-6 billion people. The goal is single control of the resources of the planet - water, air, land, natural, economic and financial resources. The climate hysteria that we have published and proven to be a fraud, with the ultimate goal of stealing billions of money for the oligarchy in another of our articles, is part of the plan. This is a breakthrough in genetic engineering to be used against humanity. There is a digital Biodictature. Social and moral repression in a real digital concentration camp. The Holocaust is actually taking place for "disinfection", "sanitation", "cleansing" of our civilization.

This Holocaust is being realized and promoted under the motto of climate change. The current process is a kind of gentle dictatorship compared to the state totalitarianism of the last century through the daily brainwashing of citizens. As the COVID 19 pandemic really replaces and replaces war of a new world war, this is a new hybrid military strategy. This strategy is from the last 30 years in which the oligarchy of the United States and the WEST after the end of the Cold War, threw huge efforts and resources to zombie, regulate, reformat, re-educate, retrain the population to get an amorphous mass that is easy to manage and without problems. The American doctrine of the "american consensus" actually set the goals for the realization of the geopolitical and world goals of the oligarchy.

The capital of the WEST - the United States and Europe - has cleansed and eliminated its opponents by destroying education, health care, pension systems, social systems, civil society, the intelligentsia, The oligarchy of the WEST - USA and EUROPE poured instead of money as they poured into the Marshall Plan after the Second World War, after the collapse of the Eastern bloc, instead of economic recovery they poured huge money for "non-governmental" organizations for culture, science, sociology, "decommissioning" ", Sterilization, ubiquitous brutal Americanization. The oligarchy erased the achievements of state socialism, education, health care, social system.

Huge funds from Soros and state funds are directed to non-governmental organizations, foundations, associations, academic formations, government projects of the State Department, projects of the Pentagon, the CIA formed by his order. Real recruitment of agents and associates for influence in the managers and leaders of the respective society in the respective country, special media and marketing projects, active events, disinformation and others. For three decades, one has been irradiated, zombies of citizens in oligarchy-related media, denying the achievements of communism, erasing history, rewriting history, erasing part of history, erasing important events characterizing the country, replacing history most Already on the Second World War, replacement of the whole history and the important events that characterize the respective state, amnesty of fascism,. All information is presented under the censorship of American political and economic and geopolitical interests.

In the same way, substitutes such as homophobia, homosexuality, and genderism are proclaimed and promoted. This led to the replacement of normal human values with the population with tablets, mobile phones, smartphones, and complete control through its digitalization and control and subordination. In reality, the oligarchy has turned the majority of humanity into an amorphous mass of only meaningless, unprincipled, immoral users, dependent on social networks - Facebook, Instagram, Twitter. This was for the citizens the sacred consumption - the digital world, from which they become more and more dependent, limited, enslaved. Citizens have become mass digital users who are reconciled to everything that happens around them and who are not interested in the problems outside them, in society, in the state. Citizens have become absolutely selfish, closed in their digital world, without any feeling and attention and respect for their fellow citizens. Young people have actually been reformatted and nullified, because without the possession of values, morals, experience, they are directed to the easiest variant of their existence.

The goal of the New World Order is to create and impose DIGITAL MAFIOTISMUS with elements of a new Holocaust, genocide and dictatorship

The theory of Mafia was created by Prof. Momchil Dobrev. Here we quote only the Formula of Mafia, which is the basis of the new Holocaust, genocide and dictatorship Digital Mafia of oligarchy and kleptocracy.

Formula of the mafiotismus

The most simple model of the mafia which describes the factors which influence about the amount, type, and etc, of the mafia is the following:

MAFIOTISMUS = PERSONAL Power / on the top of the state institutions / state and etc./ + Influence + Connections / to personal, private companies + Interests / personal, private, corporative / + ORDER / ORDERS + Personal Management of all state neveaus + Personal Control of all state niveausMafia structure / inside of or outside / + Monopolity Riegths + laws / rules / practices / procedures + possibility of taking an alternative decision - obligation - responsibilities - morality / ethics + Personal management and personal control of Distribution of public state monetary and another resource.

The mafia is also available for the public and private sector. The power of the mafia and the corruption practices in Greece in the public sector are very stark.

Conclusion

In this article we have proved beyond doubt that the COVID 19 pandemic was carried out, organized, managed for the sole purpose of imposing a New World Order in the form of DIGITAL MAFIOTISMUS with elements of a new Holocaust, genocide and dictatorship.
